

The logo for Auto-jet+ Muffler Corp. features the brand name in a stylized, italicized font with a blue-to-white gradient and a blue outline. The word "Auto-jet" is in a larger font, and a plus sign with a jet engine icon is to its right. Below it, "MUFFLER CORP." is written in a smaller, blue, sans-serif font. The background is a light blue globe.

EDITION

SCHOOL BUS EXHAUST SYSTEMS

C A T A L O G

Dear friends,

We are pleased to provide you with our new expanded catalog for school bus exhaust systems. We've greatly increased our product line to include many new parts and systems in order to better satisfy all your school bus exhaust system needs. United Muffler's are showcased throughout the catalog. United mufflers are all heavy duty, welded, aluminized steel and dimensionally correct for O.E. fit.

Please order by part number or original equipment part numbers, a cross reference is in back of each section.

Sincerely,
 Steve, Rich, Andy, Quentin, Kelle and J.R. in the U.S.
 Tony, Carol, Karen, John, Joe and Paul in Canada Sales Staff

SCHOOL BUS EXHAUST SYSTEMS

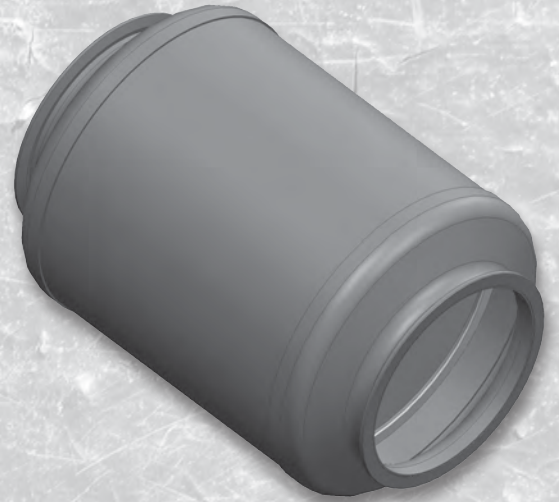

AFTERMARKET DPF's

United Muffler is an aftermarket diesel particulate filter (DPF) replacement to OEM filters for the leading OEM filter systems.

- An exact fit designed for ease of removal and installation
- Diesel particulate filters supplied by top tier suppliers in the industry
- Made from high quality stainless steel for increased durability
- Parts are designed and made in North America
- All filters come with a 2-year Unlimited Mileage Warranty

DESIGNED & MADE IN NORTH AMERICA

**2 YEARS
UNLIMITED
MILEAGE
WARRANTY**

EXACT FIT DESIGN

All United Muffler DPF's are uniquely designed as a direct replacement for any existing OEM Diesel Particulate Core, which makes for ease of removal and installation.

WIDESPREAD APPLICATION

Our DPF Aftermarket Diesel Particulate Filters are available for engine model years 2007 and newer. Available for medium duty, heavy duty, and school bus applications.

BUILT ON EXPERIENCE

Designed using 27 years of diesel emission and exhaust knowledge. With a combination of exact-fit replacement and quality stainless steel, you can count on a superior product.

ACCESSORIES

CAT'S EYE TIRE PRESSURE MAINTENANCE SYSTEM

KEEP AN EYE ON YOUR TIRES!

Cat's Eye works hard in two ways. It equalizes the air pressure between the dual tires and it signals underinflation.

**INTERNAL CHECK VALVE
PREVENTS BOTH TIRES
FROM GOING FLAT IN
CASE OF A BLOWOUT!**

COST SAVINGS

- **Increased Tire Life** - Underinflation dramatically impacts the life of the tire.
- **Better Fuel Mileage** - Underinflation increases the footprint, increasing drag.
- **Equalizes Pressure** - Allows the dual to carry the load equally.

SAFETY

- **Detects Potential Tire Problems** - Before they become dangerous.
- **Decreases Emergency Situations** - The heat generated from underinflation leads to blowouts.

LABOR SAVINGS

- **Easy-to-Read Gauge** - Tires can quickly be checked with a glance.
- **User Friendly** - Cat's Eye eliminates the dirty work of checking the inside dual.
- **Central Airing Point** - Air both tires at one time for easy access.
